## Archbishop Purcell Inspires the Cavalier

The name Purcell is one to be proud of, for it is that of one of Cincinnati's most famous religious and educational leaders, Archbishop John Baptist Purcell. Born in Mallon, Ireland in 1800, he died in Cincinnati in 1883. While Archbishop of the Cincinnati Archdiocese he was a standard of education and Catholicity. It is most appropriate that our school, a leader in education and a dynamo of Catholicity be named in his honor.

We revere the memory and are proud to bear the name of Archbishop Purcell.

## Bro. William Schroeder

This year marks Purcell's Silver Jubilee, but it also commemorates the twenty-fifth consecutive year which Brother Bill has spent at Purcell. During these years Brother Bill has helped tremendously to give meaning to our motto: "Outstanding among all." Brother Bill's long stay at Purcell has enkindled the spirit of the school; his loyalty has passed on this spirit to each student.

The first organization of Purcell's marching band was the work of Brother Bill. He laid the foundation upon which it still builds.

Intellectually and culturally he has developed boys in preparation for entrance into their life work. Teaching mathematics has long been part of his daily schedule. Brother Schroeder is best known as athletic director of all of Purcell's sports. His tireless work in this position has been responsible in no small measure for Purcell's success in all interschool athletic competition.

In appreciation of all Brother Bill has done for the athletic, cultural, intellectual, and spiritual growth of Purcell during the past twenty-five years, we dedicate to him the 1953 Cavalier.

**God bless you, Brother Bill, and may you be safeguarded throughout the coming years.**

## And The Cast

The Alumni Association, organized in 1945, is one of the most loyal backers of Purcell. Not only does it furnish certain financial aids, but it adds greatly to the spirit of Purcell. It encourages studies by awarding a free trip to Xavier University's "Operation Youth," while the trophies it awards at the football banquet provide the incentive in athletics.

Among the many events sponsored by the Alumni this year, which included the Alumni Welfare Picnic, the Football Homecoming Dance, the Annual Communion breakfast, and the dance to introduce seniors to the Association, the most outstanding was the testimonial dinner, given to celebrate Purcell's Silver Jubilee, and to honor Brother William Schroeder, who has been at Purcell for twenty-five years.

The most ardent members of the Alumni are: Vince Billiter (President), Paul Stickley (Vice-President), Tom McQuaide (Treasurer), Hugh Byrnes (Recording Secretary), Gibbs MacVeigh (Corresponding Secretary), Lee Grunkemeyer (Organizer and First President), and also Jack MacKenna, Tom King, Marty Bauer, and John Picciano.

The Alumni Association serves as a link between the school and the graduating classes, keeping the old students in contact with Purcell and its functions.

# Wisdom Hath Built Herself a House

Proverbs: IX, 1

ptember 16, 1928 Purcell High School was dedicated. It had been built so that the young men of the diocese could receive an education that would make them not only citizens of America, but children of God.

Bishop John T. McNicholas, speaking on Catholic Education at the dedicatory ceremonies said, "It is to train our children that they will acquire the habit of having a supernatural motive for every thought and word and action of their lives." Archbishop McNicholas had seen the need for several new high schools and I became one of these foundations, being named as a memorial to that great leader of the Catholic Church in young America, Archbishop John B. Purcell.

educational institutions serving the community.

Mary, who have schools located all over the world. This faculty has done a great deal to help the students in their spiritual development, the never-ending battle for sanctity.

The twenty five years have been a road of constant improvement. These improvements have been made in the fields of spiritual, cultural, intellectual and physical education.

The benefits of Purcell are seen in the graduates, both in their work for the community and in their devotion to God.

Officers of the Alumni: Hugh Byrnes, Recording Secretary; Paul Stickley, Vice President; Vince Butler, President; Tom McQuade, Secretary-Treasurer; Gibbs MacVeigh, Corresponding Secretary.

He was ordained on June 4, 1901. Archbishop Alter was appointed head of the Diocese of Cincinnati in 1907.

He died on April 1, 1955, at the age of 80 years.

Archbishop Alter was a man of great piety and humility. He was known for his kind and gentle nature, and for his deep love of God and his people. He was a strong advocate for social justice and worked tirelessly to improve the lives of the poor and marginalized. He was also a dedicated teacher and mentor, inspiring many young men to follow in his footsteps. His legacy continues to live on through the work of the many schools and charities he founded, and through the countless lives he touched during his long and fruitful ministry.

Rev. Ralph J. Gorg, S.M.

When the doors of Purcell opened in September for the twenty-third year, a new face appeared in the office of the Principal. Our Silver Jubilee Principal, of course, is Rev. Ralph Gorg, S.M., who in the course of one year has proven to be a valuable asset to both faculty and students. His sound counsel and inspired leadership have helped in charting the way for the Cavaliers' spiritual and intellectual life.

Registrar  
Guidance Director

We have a jack-of-all-trades at Purcell, a smiling Irish priest named Father Joseph Kerr. As our registrar and publicity director, Father is constantly busy. For some time our likeable friend has inspired the Dramatic Club, while during the past year, in the role of a novice, he guided the Speech Club to further triumphs. For shouldering this multitude of tasks, we say, "Thanks, Father, from the bottom of our hearts!"

Rev. James O. Byrne  
Procurator-Treasurer

Father Byrne — procurator and money-man, skillfully masterminds the Purcell Welfare Association and its pet project, the annual Turkey Festival. Father is also responsible for those wonderful (Ahem!) meals we buy in the cafeteria, for he is in complete charge of this establishment. Seeing these accomplishments, it is certainly fitting, then, that we pause and salute reverently this unequalled, staunch patron of Purcell.

Efficiency is not at all the sole virtue of Miss Mary Kennedy, a faithful secretary at Purcell for twenty-five years. Physically small, she handles the responsibilities of a giant. Since the foundation of Purcell, each principal has been served well by her efforts.

The matchless efficiency of Miss Kennedy is rivaled especially by her sparkling personality.

There were twenty-five senior officers. After a vigorous election and much thought on the part of the seniors, four typical Cavaliers were chosen. These seniors have taken the responsibility of leading the students, particularly the seniors, to their goal, which is the application of Christian principles in everyday life. # Faculty at Ease

When one is not too busy to do his work, the members of the faculty will take time off to see what they have. Besides having a varied religious life they try to squeeze in other activities. One of them is the faculty baseball league with 11 games frequently appearing.

A great number of the greatest sports factors and coaches in parish work. Some include in football coaching, are the Father Fourier pair of much talent. Father Raymond Everett is the moderator of Parsons, and coach of the golf team.

Fr. Kerr welcomes new seniors entering for the second semester: Bill Thole, Jim Burns and Tom Glenn, and discusses the course of study they will follow.

Brother Goetz pours forth his knowledge of squirrels into the minds of Jim Speier, Stan Van Scyoc, John Zmuk.

Brother Gensler and Jack Martin congratulate Brother Bill, Miss Kennedy and Brother Eveslage, who are observing a triple jubilee this year. Brother Bill and Miss Kennedy are celebrating twenty-five years at Purcell and Brother Larry his twenty-fifth year as a Marianist.

## THEY STRIVE TO IMPART WISDOM

The career of a Purcell teacher never comes to an end. After a full day in class, several teachers take courses at the University. During the summer the summer term provides many opportunities for travel and study. Rev. John P. Boyle recently visited the state of California. Mr. Bernard Diethorn studied at the University of Western Ontario, London, Ontario, Canada. At Cornell State University he studied painting and architecture. Mr. Fred Favre completed a masterate in Fine Arts.

Several additional teachers have participated in the University reading and attendance at dramatic and musical programs.

# But He That Hateth Reproof Is Foolish.

Proverbs: XII, 1.

The diocesan priest at Purcell has a twenty-four hour-a-day job. Besides teaching he must perform his duties as parish priest. He must give spiritual and moral strength. He must be all things; a father, a doctor, a business man. He must constantly strive to lead himself and the parish he serves to the Eternal Goal.

# From His Mouth Cometh Prudence and Knowledge.

Proverbs, II 16

## *The Cavalier Code:* Guide in the Past Beacon for the Future

As a student of Purcell High School, I am responsible for upholding the honor of the Catholic Church and the good name of my school. I therefore pledge on my word of honor:

To obey the Commandments of God and His Holy Church

To respect and honor my parents, my teachers, all civil authorities

To respect the rights of my fellow-men regardless of race, color or creed

To live a clean life in thought, in word and in deed

To discourage unclean amusements and entertainments

To make a sincere Confession and to receive Holy Communion at least every two weeks

To be faithful to my daily prayers; frequently to visit the Blessed Sacrament and to recite the Rosary.

To place myself under the protection of my Blessed Mother by wearing her Scapular Medal

To bring Christ and His Church to others; to be a leader in my parish

To be proud of my Catholic education and always to be a credit to my school—PURCELL HIGH

# JUNIORS RING IN THE SECOND QUARTER CENTURY

As the Senior Class of 1951 passes into history, as on October schools outstanding class of twenty-five years of Purcell's history come to a close.

Looking into the twenty-five years of the future we find the class of 1971 waiting to have their turn in the present Senior Class. The juniors of this year begin twenty-five more years of scholastic achievement.

We the Juniors thank God for another quarter century, and as we open one which, we hope, will be even more graced with glory for Purcell.

Homeroom 3A: Bruns, Eads and Duval draw up plans for a new swimming pool on the fourth floor. Vieson is beginning to wonder if he will fit.

Homeroom 3B: Mendenhall, Cox and Giligan seem to know this fellow, but did he really follow them to school?

Homeroom 3C: Brother Leazer's Chemistry Cadets. Fledderman, Gerwe, Bracko and Company do some work with their Junior Atomic Bomb Kit.

Homeroom 3D: Dick Carle is showing Mark Fletcher where his new girl lives; but have Neeson, Donnellon, Farrell and "Thumbs" Brinkmoeller been invited to the party?

Homeroom 3E: Sager and Kilt consult Regina's Beacon for beauty tips, but Schartinghausen and associates go in for the comic strip

Homeroom 3F: Carevillano Longi and Callahan, 3F's high minded class officers, appear to be accepting a bribe from Stocker. Hmmm

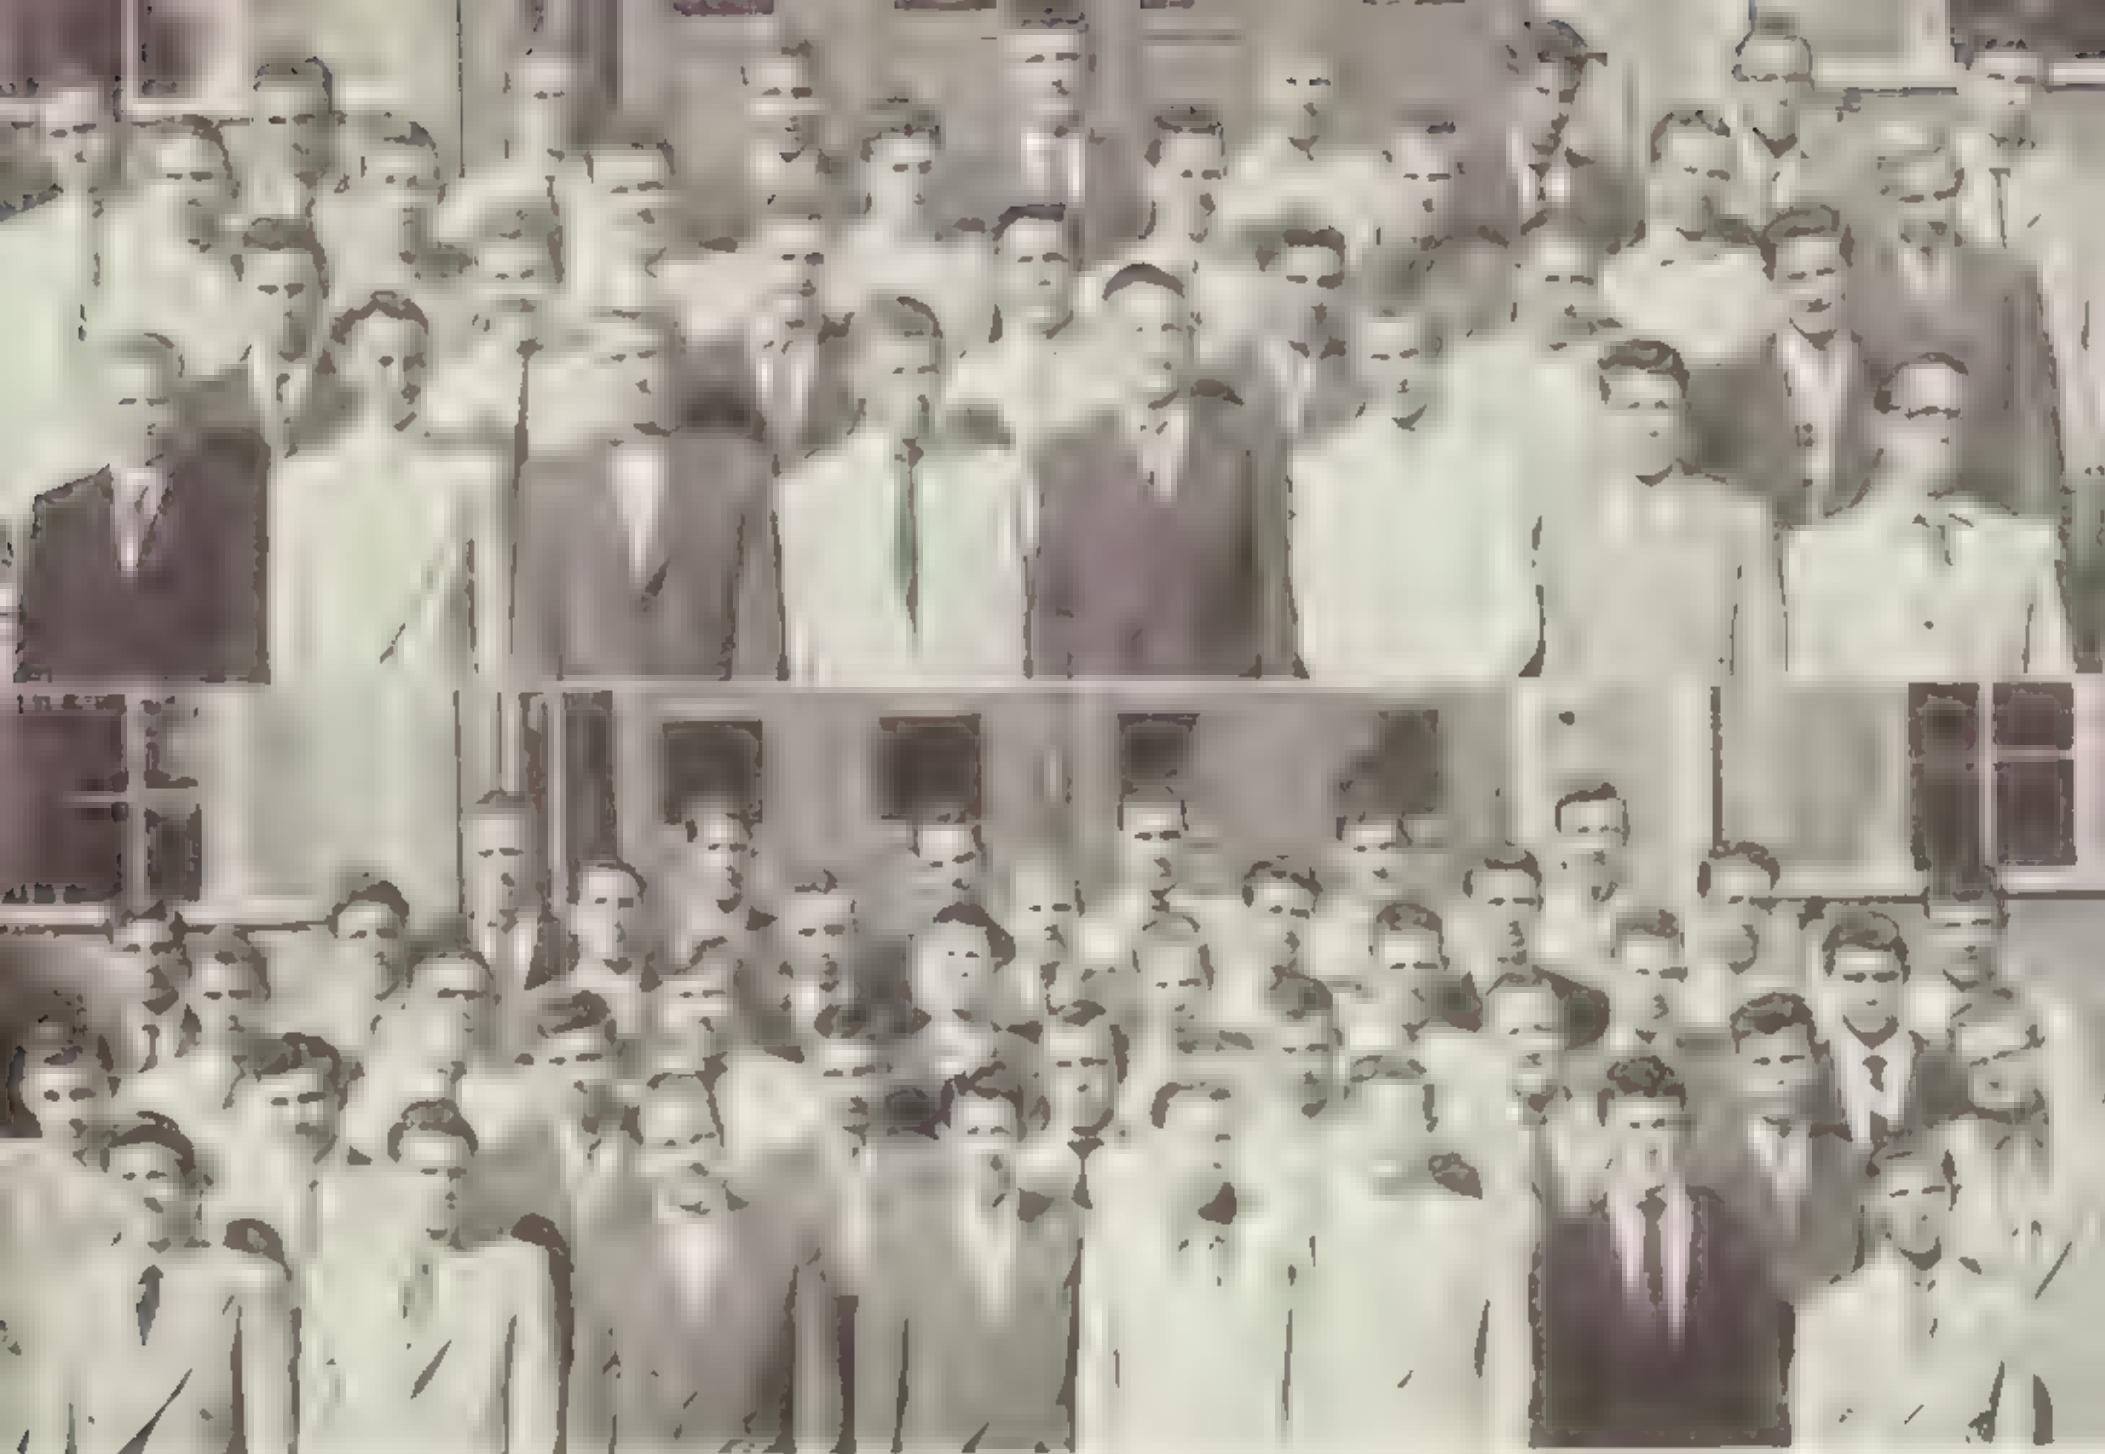

Homeroom 3G: Literary genii consult the bulletin board for high class reading matter. Who wrote Sally?

Homeroom 3H: No, these Cavaliers aren't catching flies, they are singing Gregorian Chant. However, Blessing, Henderson and Gruber, being ventriloquists, don't bother to open their mouths

# THROUGH THESE ORGANIZATIONS

We Develop

## INTELLECTUAL LEADERSHIP

Among the clubs and organizations active at Purcell there are several whose chief purpose is to stimulate further interest in and to apply the various ideas learned in the classroom. The clubs which are most closely related to the intellectual ability of the student are the Debate and Speech Club, the Triple A-C, the Library Staff, the Mathematics Club and the Science Club. A student who has special interest in the various fields which are covered by these clubs has an excellent opportunity of furthering his abilities and skills in these significant fields.

## Purcell Anthem

M.

Mr. Hubert Buschle

*The sheen of lustrous banner unfurled in azure frame  
Is Gold of sunrise splendor and Crimson sunset flame.  
Heroic valor, daring all shall keep the Crimson bright;  
The valiant Cavalier at last shall claim the victor's right;*

Ray Turner and Bob Miller take advantage of Purcell's Library. Other Cavaliers busily ply their fountain pens.

*And grand the cause which he defends,  
The love of warrior bold.  
For Christ the King and Mary fair,  
Is blazoned on the Gold.  
The sheen of lustrous banner unfurled in azure frame,  
Is Gold of sunrise splendor and Crimson sunset flame,  
Purcell's victorious banner—we'll guard fore'er its fame.*

During twenty five years our \_\_\_\_\_ has grown from small beginnings to leadership it enjoys today. As the school has grown, activities and groups have come into being for the students' pleasure and development. An important part of this development is reference work. An easy way to attain additional knowledge is the school library. Keeping pace with the scholastic growth of Purcell has been the library. Since the library was opened in the school's first year (1928), many Brothers have had charge of it. The librarian best known to this year is classmate Frank Diebel S.M. who directed the library for eight years until his transfer in 1954.

The Silver Jubilee Year has seen Bro. William Kiefer take charge. Efficiency, unsellish helpfulness and faultless business-like procedure characterize Brother William.

Bro. William discusses plans with Mrs. Bloma Winstel and Moore for more painless methods of charging books.

### Stronghold of Learning

It is estimated that the library contains 8000 volumes. The library had during its first year 1000 members. The main sections include a large general section, and a large reference section. The library is well equipped for all subjects.

The library is under the running of the library this year by a group of student librarians. These students aid the library in its work and are ready to help all reading material.

# Wisdom is Better Than Strength

The Debate and Speech Club at the Cavalier Castle was founded in 1933. It is a leading member of the Greater Cincinnati Speech league and is active as well in the Ohio High School Speech League and the National Forensic league. Through this club Purcell has produced many students with qualities of leadership. The record for the travels of the club was apparently set last year when the club rolled up more experience in out-of-town tournaments than ever be—

This year the club is under the direction of Purcell's registrar, Father Joseph Kerr. The debaters traveled to the K of C. Invitational Tournament in Cleveland, and to the district and state finals of the N F L. at Denison University and in Columbus, scoring the runner-up position in ex-tempore speaking. In local G C S L. competition, the score in debates won and lost was about even. However, Purcell won the award in ex-tempore speaking.

# Studying the Order of the Universe

The Triple A-C is a club including eleven of greater Cincinnati's Catholic high schools, formed to increase a member's knowledge of science, and to provide for him a social outlet. The high schools besides Purcell which comprise the club are: St Ursula, Ursuline Academy, Roger Bacon, Elder, St. Mary's, Our Lady of the Angels, Regina, Seton, Mother of Mercy, and McNicholas.

A typical meeting is opened with business and followed by short talks on various phases of science. This is followed by a social and dancing. The meetings are arranged so that each is held at a different school. Brother Goetz is moderator of the Purcell chapter and, in general, is responsible for the success of the Triple A-C

Much is said regarding Purcell's organizations of the past quarter century. The Sodality is an organization of the future. Having been formed this year in Cincinnati, the Sodality boasts no past at Purcell. However, in other Marianist Schools the Sodality is the oldest, most powerful, and most revered of their spiritual organizations. Here at Purcell, we feel sure it is destined to combine and render more effectual the excellent work of the Students' Spiritual Council and the CSMC.

Members have been chosen with discrimination thus assuring the Sodality a solid foundation. Because of its relative newness, activities have been few and no officers have been elected. In the Sodality there are four steps of membership: postulant, probationer, aspirant and, finally, sodelist. The General Moderator at Purcell is Father Urban Rupp. Senior moderators are Fr. Kerr and Bro. Foerster; Junior moderators Fr. Rohrkemper and Bro. Goetz; Sophomore moderators, Bro. Foerster, Fr. Smith and Bro. Kunes; Freshmen moderators, Fr. Favret, Bro. Dahlmann and Bro. Sireb. The Sodality, originated by Fr. William Joseph Chaminade, is an organization which shares with the Marianist priests and Brothers as well as the diocesan priests, the goal of attaining Christ through Mary.

Annual Retreat --- 1929

Our retreat master, Father Erpenbeck, S.J., chats with Bill Gerard between conferences.

Father Gorg celebrates Benediction and brings the retreat to a close.

What Does It Profit a Man  
If He Gain the Whole World,  
And Suffer the Loss of His Soul?

Father Joseph Kerr distributes the Holy Eucharist to the seniors and their mothers at the close of the annual retreat.

1

T. Hessler, J. McDonald and other senior students examine pamphlets provided for them by Bro. Goetz during the retreat.

Retreats may be considered as stepping stones over the rugged terrain which hinders us on our journey to Heaven and everlasting happiness.

It is the custom at the Cavalier Castle, studies were suspended during the waning days of January for the purpose of offering the student body an opportunity for prayer and meditation at the annual retreat.

The retreat gave us a chance to stop and think about our spiritual life, regarding what we have done and what we have not done, a pause such as a sculptor must make from time to time to survey his statue and correct the flaws and rough edges which may need correcting.

Indeed for the first time was a needed retreat for those seniors who wished to get away from a worldly atmosphere and better feel the spirit of their retreat.

The response among the four year men was great enough to necessitate the formation of two separate groups.

Under the guidance of the Franciscan Fathers at Fnerhurst Retreat House the seniors solved their problems and acquired a wealth of knowledge.

Knowing well that this might be their last retreat for a long time, the seniors strove energetically to capture God in their hearts and prayed for the graces to keep Him there throughout every day of their lives.

# DRAMATICS

The Dramatic Club is among our oldest clubs, for this is its Silver Jubilee year. It has flourished through the years and has provided many hours of entertainment. Its first director was Rev. Aloysius Seitz, also first chaplain and later principal of the school until 1937. From 1930 to 1931 Tyrone Power was a member of the club. Among the productions were "Charley's Aunt," and "The Whole Town's Talking." Rev Leo Uht succeeded as both principal and dramatics director. Under his guidance such plays as "Seven Keys to Baldpate," and "The Milky Way," were produced. In 1940 Bro Joseph Kerr (now Father Kerr) took charge and directed "Brother Orchid," "You Can't Take It With You," and "Arsenic and Old Lace." Brothers Joseph Keimig, Maurice Beyer, and Charles Rossman took succeeding turns and did much to further dramatics at Purcell. Rev. Joseph Kerr returned in 1948, and the Drama Club has been under his management since then. He has directed "The Man Who Came to Dinner," and "Harvey." Last year the Dramatic Club gave a successful presentation on television of "The Bishop's Candlesticks."

The Purcell senior dramatists again traveled to Regina to participate in their annual senior play. Regina chose James Barrie's "The Admirable Crichton," a well-known English farce.

Cavaliers taking leading roles were: Dave Hottman as Crichton, Charles Mauer as Lord Loam, Al Neubauer as Lord Brockelhorst, Dennis Hemmerle as Ernest and Jim Van Flandern as Mr Treherne. Other Purcellites in the cast were: Jack Martin, Jack Frankenberger, Jim Burns, Roger Losekamp, Tom Stadtmiller and Jim Carson. Early in May, Father Kerr's Tyrone's presented a radio play depicting the Sesquicentennial of Ohio and the Silver Jubilee of Purcell. This along with the colorful Spring Variety Show made up for the lack of the traditional annual play at Purcell.

# Strike up the Jubilee Band

In the early years of Purcell, a new organization, which has since been a mainstay in the growth and development of our school, was originated. It was in the year 1932 that Brother Leo Rausch S.M., organized the Purcell Band. Through the years the band has matured into one of the most spirited bands in the city of Cincinnati.

The 1953 Cavalier staff has attempted to uphold the standards which Purcell year books have established in the past. From the National Scholastic Press Association the Cavalier has received seven All American awards.

Perhaps the most ardent worker on the art staff was Robert Plogman who was responsible for all of the art work. Then too, there was Allen Hollister who was always willing to paste up pictures and arrange layouts.

Workers on the literary staff deserve special mention. Although most of these students worked constantly, Tom Doyle was the most generous in hours spent. On the sport staff Dan Wallis proved that he could write up sports as well as participate in them.

Louis Gardner and Dick Schmidt of the clerical staff did most of the minute checking which helped to eliminate some of the mistakes from this book. The business staff, which handled the ads, patrons and the sale of the book was headed by Douglas Black.

The photography was supervised by Bro. Donald Dahlmann aided by his Camera Club. Bill Peters gave Brother most assistance.

The annual staff would like to extend its thanks to Brother Dahlmann and Brother Grisez who have truly made this edition of the Cavalier possible.

# Reserves Have Winning Ways

## The boys behind the scenes

On every football team you find spirit. In this the Jay Vees were no exception. Although Coach Cutcher, a new member of the staff, had a squad numbering only twenty-six players, still he finished out a seven-game schedule with only one setback.

The Reserves combined a hard charging line with a quick, alert backfield to turn the trick. The line was made up of Dobb and Servizzi, two fast-moving guards Tasch, a hard-hitting center; two towering tackles, Morgan and Wray. The glue-fingered ends were Meyer and Silvati. In the backfield were Clark and Healey, two explosive halves; hard hitting full-back Tipps; and Degaro, who worked as field general.

We feel certain that this plugging team will be a rich source of varsity material, thus assuring the success of the 1953 Cavaliers.

## Basketball—1928

The most surprising ball club in the city" sums up the whole story of Jack Hanlon's 1952-53 round-ball squad.

In the pre-season polls Purcell was picked as the team's second best, but once the regular season began the basketbolers took the lead. The Upset Happy Quintets. The speedy revolutionaries, known as "Gummin' the hardwood" because of their constant running, were the surprise of the year.

Their main man was Tom Purcell, a Westerner, the product of six years of college and the holder of four titles. His center is a Missouri boy, a steady point guard, who has started his career on the A. team.

Their fact in Purcell's case is all cracked ice, according to him.

# Hanlon's Five Are Feared by All

The first five players to receive letters from the basketball team are Carter Hanlon, Mike Peters, Eddie Gaudet, Andrew Hanlon, and Sean McNamee. The first three have been lettered since their freshman year. Eddie Gaudet and Mike Peters are seniors. Carter Hanlon and Sean McNamee are sophomores. The first three are the most valuable players on the team. Andrew Hanlon is the most valuable sophomore. Eddie Gaudet is the most valuable freshman.

At the first sign of spring the Cavalier trackmen, striving to be in top condition for the opening of the track season, jumped the gun and were soon practicing long before the basketball season ended.

Among these early starters were Jack Gulden and Jim Mentzel, both returning senior lettermen. Jack takes the high hurdles and Jim the low, and both are recognized as being the top hurdlers in this area. Jack is the GCL record holder in the 180 low hurdles and will attempt to better his record during the course of the season. This will be the fourth year of varsity competition for these two hurdlers.

Back to bolster the team this year are such capable juniors as Sager and Devaney in the dashes, Carle in the hurdles, and Beck and Eads in the longer runs.

A most unpleasing sight to opposing batsmen is Dick Meder and Jim Fallon

The Cavalier baseball team brought prestige to Purcell by winning the 1952 District Championship, losing only in the finals of the Regional Tournament to Elder at Crosley Field.

The baseball team under Jack Hanlon, as stated by base coach Jack Martin, finished the season last year with nine wins and nine losses, taking the last five out of seven games.

The returning lettermen who hope to improve last year's record are intenders Tom McDevitt, Tom Wohlwend, and Dan Walus. The out fielders include Jim Niemann, Paul Schramm, Chuck Lima and Jack Matzel. The pitchers are Dick Meder, Arlin Boatly, Bill Reynolds and Jim Fallon, and catcher is Gene Martin.

All of these fellows, excluding pitchers, were first stringers last year.

## Purcell Parents the Basis of 25 Years of Achievement

### THE WELFARE ASSOCIATION

This year the Purcell Welfare Association again played its major role in the education of the students here at the Cavalier Castle. The parents' organization was headed by its officers: Mr. Ed. Beimesche, President; Mr. Jack Cameron, Vice-President; Mr. Joe Hutzel, Membership Chairman, Mrs. Lawrence Devaney, Secretary. Mr. Ed. Lee served as publicity chairman, Mr. John Schmid as entertainment chairman, and Mr. [unclear] as social chairman.

Their efforts in working for the tireless and successful. In addition to meetings there were several other projects, headed by the Silver Jubilee Fall Festival, the senior mothers' "Monte Carlo" party held April 25, which sponsored the Senior Prom, and the parental cuperonning of all Purcell's dances.

This organization has contributed much to the development of Purcell and to the Catholic education of the thousands of boys who have attended here. It has in every way aided the further advancement of the school.

The Welfare Association gathers at one of its monthly meetings. Through the years, the Welfare has contributed greatly in the development of our school.

The Turkey Raffle, a vital part of the Fall Festival, was a distinct financial success this year, as always in the past. The Turkey Raffle alone gave over six thousand dollars and the receipts from the booths and concessions brought the total to over ten thousand dollars.

Festival fun is the important aspect of the Turkey Raffle. This year the cafeteria sported colorful decorations based on the twenty-fifth anniversary celebration.

One of the more outstanding of the Welfare meetings was the Christmas gathering and party held on December 18th. The party was preceded by a short business meeting after which parents and teachers joined in a spirited Christmas celebration.

Each member of the Welfare brought a twenty-five cent gift. These were distributed by Santa and his helpers—the Service Club. Special gifts were given to members of the faculty and also to those seldom awarded workers at Purcell—the janitors, cooks and secretaries.

Santa was good to the Marianists this year, for a station wagon presented to the Brothers was on display.
